

INPATIENT ALLIED HEALTH AND COMMUNITY SERVICES

Discharge Planning

- Case conference documentation will now be documented in the EMR.
- Clinicians can document and update the Goals for Discharge at any time.
- Discharge planning will be visible on one page in the EMR and all staff can contribute.

Goals for Discharge

All (1) Not Achieved (1) Future (0) Achieved (0)

1	✖	Limit falls - able to walk 100m unassisted
		▶ 0 of 1 Met

- All patients will be given a discharge information sheet that we can contribute to about education provided and discharge instructions.
- Allied Health has an EMR discharge referral which can be populated from your previous notes. It will be used for community and external referrals.
