

EMR Quick Reference Guide

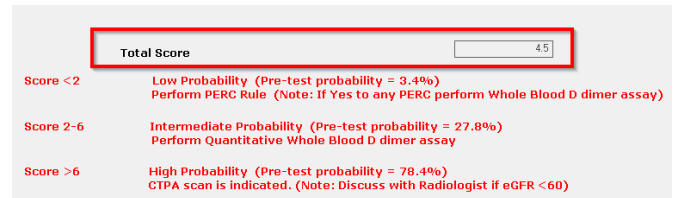

Orders – Wells Score Calculators for CTPA and Lower Limb US

1. Order a CTPA or an US Doppler Leg DVT variation through the orders tab

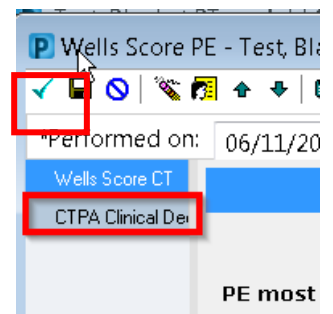

2. When you click on the order, a 'Powerform' will pop up asking for clinical information

3. Filling out the clinical information will generate a score with clinical decision suggestions

4. The second tab on the left of the powerform can be clicked to view the Clinical Decision Support Pathway:

5. Ensure you click the tick in the top left hand side to sign the form.

6. Once signed, the calculated score will pull into the CTPA or DVT US order and will be visible to Radiology.
