

EMR Quick Reference Guide

Documentation – Reviewing Discontinued IPOCS

1. Navigate to Orders Page.

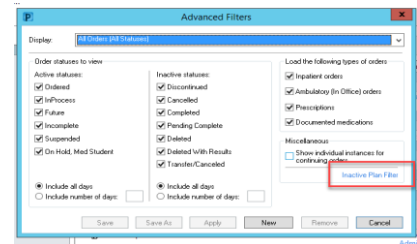

Click the chevron and select All Orders (All Statuses).

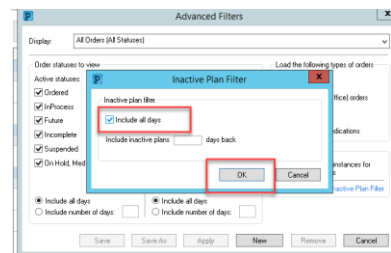

2. Click the box with 3 dots next to the Display window.

3. Click Inactive Plan Filter.

4. Check the Include add days box. Click OK.

5. All discontinued IPOCS should now appear.

Select Document in Plan tab.

IPOCS documentation should now be visible.
