

Access and Set Up – Setting Up Allied Health Student Profiles (Inpatient)

This Quick Reference Guide will explain how to:

Set up a profile for allied health students working in an inpatient setting

1. The landing page for Allied Health Students, just like Allied Health Clinicians is the **Multipatient Tasklist**. The MPTL will have 3 tabs, Referrals, Review and Other

2. On the Referral Tab Select **Options** from the Toolbar and then **Task Display**

3. From the **Task Types**, Select your discipline referrals. This will display in the chosen task type
4. Select **Save** then **OK**

5. Repeat steps 2-4 For the review tab, selecting the disciplines **Review Orders**

6. If the student is involved in a Multidisciplinary round like the Bariatric Assessment Team, select this referral and review order in the **Other** tab

7. To document in the patient chart, select 

8. All Discipline powerforms will display in Discipline specific folders

9. Select the **Discipline folder**,

10. Select the **Powerform** required

11. Select

Chart

The screenshot shows a software interface with two columns of items. The left column contains a list of folders, with 'Physiotherapy Assessments' highlighted by a red box and labeled '9'. The right column contains a list of powerforms, with 'Physiotherapy Assessment' highlighted by a red box and labeled '10'. A 'Chart' button is located below the '11. Select' instruction.
