Accessing the EMR Practice Environment

Digital Health
CONNECTING BEST CARE

Digital Health Quick Reference Guide

> ❗ **Important – Contact your Super Users for access**
>
> To access the EMR Practice Environment, you can use the role specific Username and Password provided to EMR Super Users in your area. If you would like to access the Practice Environment whilst completing WeLearn packages, use role specific logins and dedicated patients listed on page 2.

---

1. To access the EMR Practice Environment, open: http://202.86.16.200/Citrix/L2031Web/

2. Enter your own **Username** and **Password** – the login details you use to access your Western Health emails

3. Select the 🅿 icon to open the *EMR* or if you work in ED, select 🅴 to access *FirstNet -EMR*

4. In the following login screen, enter the role specific **Username** and **Password either** from the EMR Super Users in your area or the list below

---

> ❗ **Important – The EMR Practice Environment contains test patients only.**
>
> The EMR Practice Environment is not linked to the EMR system that is used in everyday work and the patients in the practice environment are not real ones. Any information entered in the patient's chart will be refreshed and removed each night. Please contact the EMR Learning & Development Team if you have any queries – WHS-EMRTrainers@wh.org.au.
