Quick Reference Guide

This Quick Reference Guide will explain how to:

View PBS eligibility status field

Important – Based on a patient’s Medicare, DVA entitlements and administrative category recording in iPM will determine the PBS Eligibility Status of PBS or Non-PBS discharge medications

- The eligibility status must be correct prior to creation of a discharge prescription. A prescription is unable to be amended so a new prescription will require completion if eligibility status requires a change.

- To view eligibility status, go to Power Chart. Select 'Patient information' in Table of Contents. Select Demographics tab.
