Quick Reference Guide

This Quick Reference Guide will explain how to:

1. Navigate to the View Person window from:
 - Patient's EMR chart (Powerchart or Firstnet)
2. Navigate the View Person window to view the Next of Kin (NOK) details.

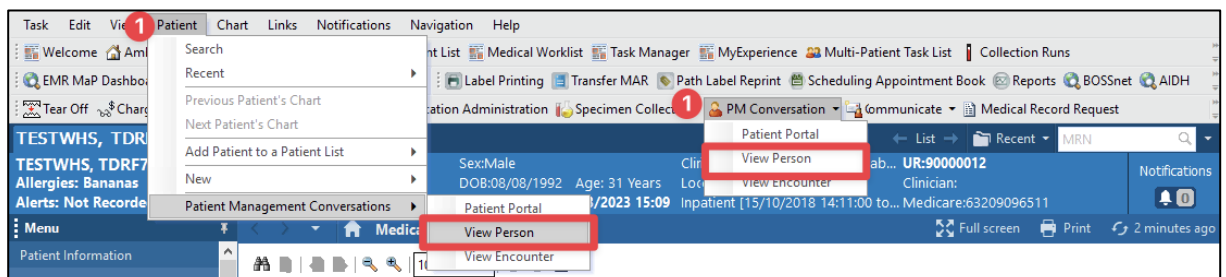

- iPM is the source of truth of patient contacts, including Next of Kin Details.
- All updates to patient contacts must be made using iPM.
- Data displayed in the EMR View Person window is a subset of the details recorded in iPM

1. Navigate to the View Person window.

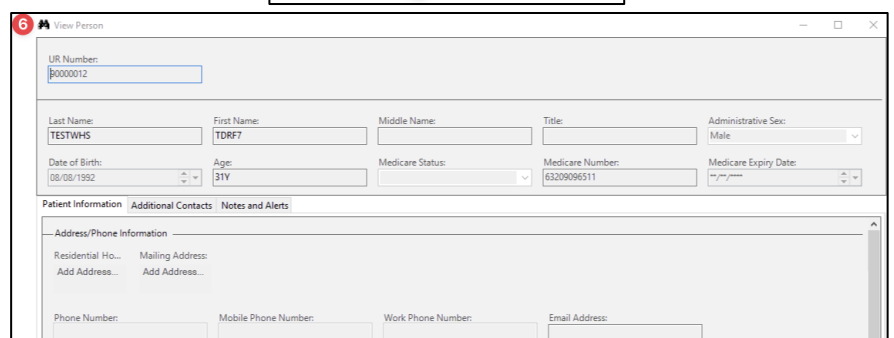

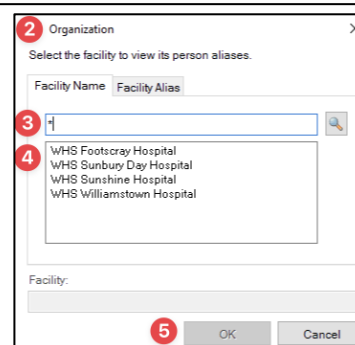

From Patient's EMR Chart (Powerchart or Firstnet).

1. From the top menu bar, navigate to
Patient > Patient Management Conversations > **View Person**,
OR

Click on the dropdown triangle adjacent to PM Conversation in the top tool bar > Select **View Person**

2. Organisation window opens.
3. Enter "*" and click the search icon.
4. Select any facility.
5. Click OK.
6. View Person window o

2. Navigate the View Person window.

1. Navigate to the Additional Contacts tab to locate the Next of Kin details.
2. Details of an Additional Contact are also displayed on this tab. This information is associated with an alternative contact listed in the iPM, other than "Contact 1 (NOK)". If more than one additional contact is recorded, the View Person window will only display one.
