Admit - Subacute Functional Admission Assessment
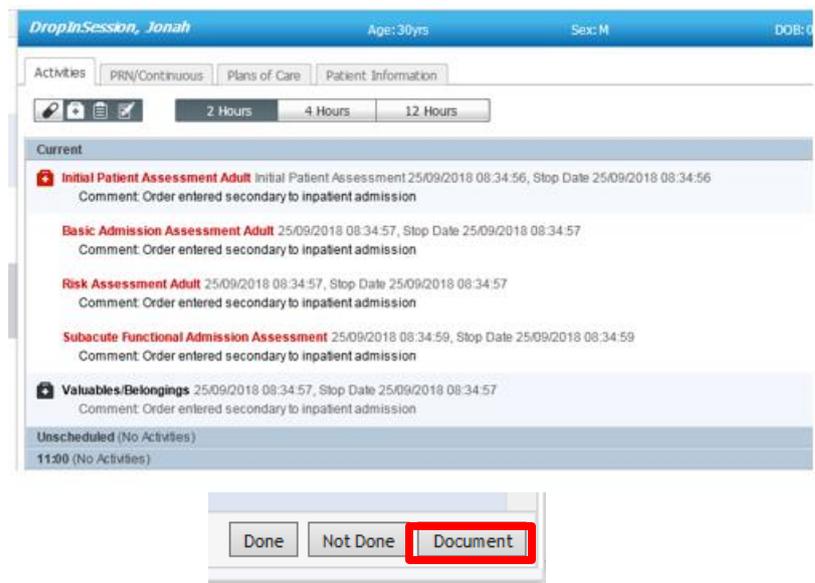

Digital Health
CONNECTING BEST CARE

This Quick Reference Guide will explain how to:
Document Subacute Functional Admission Assessment.

---

1. Go to the **Activity page** on **Care Compass** of the new patient. Select **Subacute Functional Admission Assessment** and click **Document** button.

2. The **Subacute Functional Admission Assessment Powerform** opens.
   Complete the form by free text into each of the boxes. **REMEMBER:** This refers to the patient's condition as he/she arrives in Subacute.

3. Enter information relevant to the headings into each of the boxes. Then click on the **green tick** to verify the information so it is visible in the patient's record.

4. When you return to **Care Compass** to review the **Activities** list you will see the **Subacute Functional Admission Assessment** has been removed from the activity page.
