Quick Reference Guide

This Quick Reference Guide will explain how to:

Complete Clinical Nurse Consultant (CNC) documentation.

---

1. Open a patient's chart **Nurse View** - ISBAR Handover mPage to review details. To document click on ➕ **Add** in the **Documentation** row on the Table of Contents

2. The **New Note page** will load. Select the **Note Type** (Clinical Nurse Consultant Note)

3. Select the **Free Text Note** from the Note Templates Table and then select **OK**

4. A blank Free Text Note will open for you to complete your documentation. It is possible to personalise a note template to copy into your note.
   (See creating auto-text QRG)

5. Once complete select Sign/Submit button

6. In the Sign/Submit Note window, change the Title from "Free Text" to your role e.g., ICU Liaison and electronically sign your note by clicking on **Sign**
