**Digital Health
Quick Reference Guide**

This Quick Reference Guide will explain how to:

How to review clinical documentation in BOSSNet.

BOSSNet is Western Health's scanned medical record.

! **Important**

It is important to utilise these settings as viewing by episodes may miss records that are not filed accurately.

Review Clinical Documentation in BOSSNet

1. Open a patient folder in BOSSNet

2. Select **"View the tree flattened"** by selecting the icon circled in the image below

3. BOSSnet will sort all documentation for this patient by date (most recent)
