

Downtime - Radiology Integration Downtime - How to order when system is down

Digital Health Quick Reference Guide

TING BEST CARE

This Quick Reference Guide will explain how to:

How to order radiology when system is down

- Navigate to Orders on the Table of Contents and click +Add to 1. request an investigation.
- 2. Search for the test(s) you wish to order.
- Complete the mandatory information, click 'Sign' and enter 3. password.
- 2 0 minutes ago Refresh the screen. 4
- 5. Right click on the order you have just placed, select 'Print' then 'Reprint Requisition'.

*During an integration downtime, orders placed on the EMR will not necessarily reach Medical Imaging. Clinicians will therefore need to print a slip to send down. However, it is important this is still done via the EMR so the order is queued appropriately, and to prevent duplicating investigations. *
