FirstNet – Clerical – Admit to Ward Via SSU/BAU/HUB

Digital Health Quick Reference Guide

This Quick Reference Guide will explain how to:

Admit patient to the ward via SSU, BAU or the HUB.

Note: This workflow begins after the patient has already been admitted to the S Emergency or F Emergency holding ward.

1. The ED Doctor or NIC will place a bed request to SSU/BAU/HUB. As they already have an inpatient bed request, a second dot will display indicating the new bed request.

- 2. Once allocated to SSU, the new dot will turn yellow.
- 3. To admit the patient, right click on the patient's name on the tracking board and select **Admit to Wards/SSU**

- 8. Select OK
- 9. The patient will move on the tracking board to the SSU/BAU/HUB bed that they have been admitted to in iPM.
- 10. Look up the patient's encounters with the FirstNet search box. Confirm that Single Encounter Logic has worked. There should only be one open encounter for this patient.

Note: If another encounter opens, Single Encounter Logic has not worked, please check the iPM admission has been completed correctly.
