Digital Health

Complete nursing documentation for patients being discharged from ED.

- 1. When a patient is ready for discharge, the status will change on LaunchPoint. It will display blue with a door icon. The timer starts once the decision to discharge is made by the Treating Doctor.
- 2. A nursing task will display in the nursing activities column. Click on the '1' to view activities.
- 3. Select the assessment task by clicking on it (highlights blue) and then select 'Document'

4.

Discharge Destination

Discharge Comment

Patient is being picked up by family. Nil concerns.

Digital Health

5. From the Table of Contents, select 'ED Nursing View' to open the 'ED Nursing Discharge' page.

6. This page supports the ED Nursing discharge with relevant sections. Selecting the '...ED Nurse Discharge Note' allows you to free text a final progress note in this box for the patient. Clicking 'Save' on this box and then create the note via the blue hyperlink 'ED Nurse Discharge Note'. Ensure to **sign and submit** your ED Nurse Discharge Note.
