Sign

This Quick Reference Guide will explain how to:

Create a referral for Inpatient Medical Consults and Inpatient Allied Health

Important

You must discuss all Inpatient Medical Consult referrals with the consulting team as per current practice, do not assume that just because you have placed an electronic request that your patient will be seen.

Inpatient referral for a medical consult

- 1. Using the Table of Contents navigate to Orders and click on '+Add"
- 2. Search for Consult to Medical Speciality
- 3. Complete all the yellow mandatory fields
