EMR  
Phase 2.1  
Go-Live

# MEDICAL OFFICER KEY MESSAGES

## New documentation in the EMR

How you document or create notes will change following the EMR Phase 2.1 Go-Live in July 2023

**Create and access all your essential documents conveniently in the EMR**

- ✓ Outpatient Notes
- ✓ Operation Reports
- ✓ Anaesthesia Records
  - ✓ ICU Notes
  - ✓ Maternity Records
- ✓ Emergency Department Notes

**Please Note:**

Historical documents can still be accessed on legacy systems (e.g. BOSSNet or paper)
