

Medications – Warfarin – Discontinuing a Warfarin Order

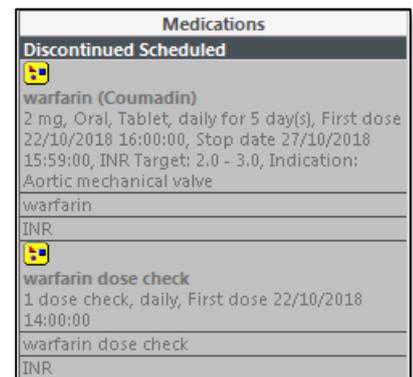

1. Click on Orders and Referrals.
2. Highlight the warfarin order AND warfarin dose check order (click and drag or hold CTRL + click).
3. Right-click on the highlighted orders and select Cancel/DC to discontinue.

4. Click on the blue cross icon and select a Discontinue Reason (mandatory field) for each order.

5. Click Orders for Signature and sign.
6. Check the MAR to confirm the orders have been discontinued.

Important

- Ensure there are no overdue order tiles for the cancelled order
- If red overdue tile is present, right click the red tile and select "Chart Not Done"
