Medications – Ordering Medications From Pharmacy (Priceline) for Hazeldean

Digital Health CONNECTING BEST CARE

Digital Health Quick Reference Guide

+ Add

Key messages:

- Inpatient Medications for Hazeldean are supplied by an external community pharmacy (Priceline). Medications are dispensed and charged to the individual patient and therefore require a prescription.
- 1. Click "Add" on "Orders and Referrals".
- Note that the order type is defaulted to Inpatient. Change order type to "Discharge Prescription" from dropdown box.
- 3. Enter the medication in the "**Search**" field and select the desired order sentence.
