Quick Reference Guide

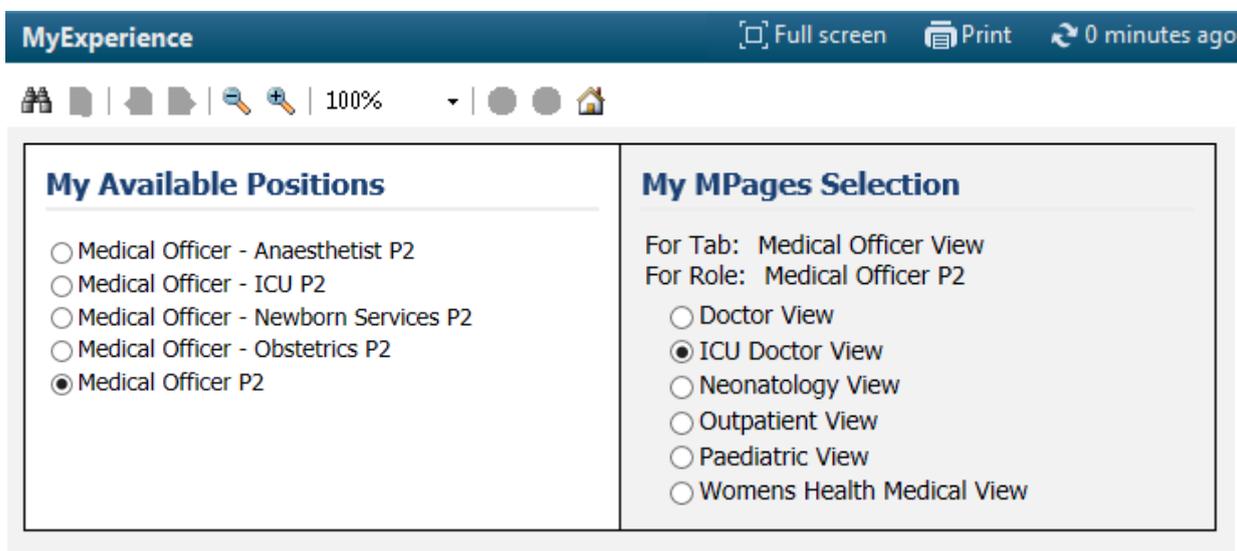

## This Quick Reference Guide will explain how to:

Set up your My experience to for Medical Officers.

### Definition

**My Experience** - is a function that enables the clinician to change role within the EMR, and thus the default views attached.

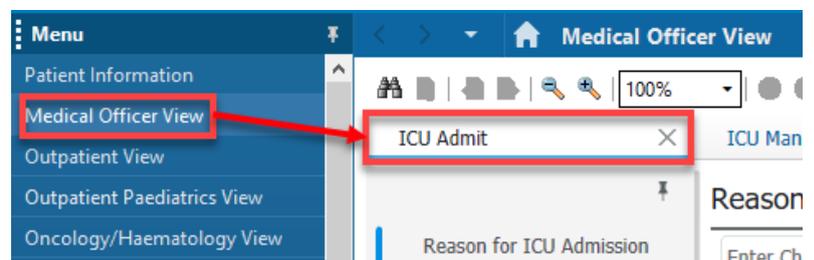

1. Navigate to **My Experience** from the tool bar 

The screenshot shows the MyExperience interface. At the top, there is a header with the MyExperience logo, a 'Full screen' button, a 'Print' button, and a refresh icon with the text '0 minutes ago'. Below the header is a toolbar with various icons and a '100%' zoom level. The main content area is divided into two columns: 'My Available Positions' and 'My MPages Selection'. Under 'My Available Positions', there are five radio button options: 'Medical Officer - Anaesthetist P2', 'Medical Officer - ICU P2', 'Medical Officer - Newborn Services P2', 'Medical Officer - Obstetrics P2', and 'Medical Officer P2' (which is selected). Under 'My MPages Selection', there is a section for 'For Tab: Medical Officer View' and 'For Role: Medical Officer P2'. Below this, there are seven radio button options: 'Doctor View', 'ICU Doctor View' (which is selected), 'Neonatology View', 'Outpatient View', 'Paediatric View', and 'Womens Health Medical View'.

2. Under **My Available Positions** column, select the correct Medical Officer position for your rotation

3. Under **My MPages Selection** column, select which MPages you would like to display in **Medical Officer View** from the **Table of Contents**

The screenshot shows the Medical Officer View interface. On the left, there is a 'Menu' dropdown with options: 'Patient Information', 'Medical Officer View' (highlighted with a red box), 'Outpatient View', 'Outpatient Paediatrics View', and 'Oncology/Haematology View'. On the right, there is a 'Medical Officer View' header with a home icon, navigation arrows, and a '100%' zoom level. Below the header, there is a 'Reason for ICU Admission' section with a text input field and a 'Reason' dropdown menu. The 'ICU Admit' option is highlighted with a red box and a red arrow pointing from the 'Medical Officer View' menu item.

4. Click  in the bottom right-hand corner of the page
5. Log out of EMR and log back in to see the changes
