

Administration – Refer to iPM as Source of Truth for “Other” Sex Display

This Quick Reference Guide will explain how to:

Refer to iPM as source of truth for “Other” sex display.

1. Background

iPM Sex ‘Other’ field displays in EMR as ‘IS’. However, in the Clinical Leader Organiser it displays incorrectly as U (Not stated / inadequately described)

- Incorrect display in Clinical Lead Organiser:

**Sample, Patient2 PROF*

58 yrs **U** DOB: Sep 13, 1960

MRN: 1591447

FIN: IPE4670852

2. Issue

Patient information misrepresentation

3. Workaround

Refer to iPM as source-of-truth as per current practice
