

# ICU – Document ICU Neurological Determination of Death

Digital Health Quick Reference Guide

## This Quick Reference Guide will explain how to:

Document Neurological Determination of Death (Brain Death) in the intensive care setting for ICU Medical Officers. This is the accepted method of documenting brain death in the clinical notes and is consistent with ANZICS guidelines.

# Part 1: Create a Free Text ICU Progress Note

Medical Officer View Click on from the Table of Contents. 1. Select the ICU Manage tab/mPage. 2. ICU Manage ICU Admit Create Note At the bottom left of the mPage, under "Create Note", 3.
