Quick Reference Guide

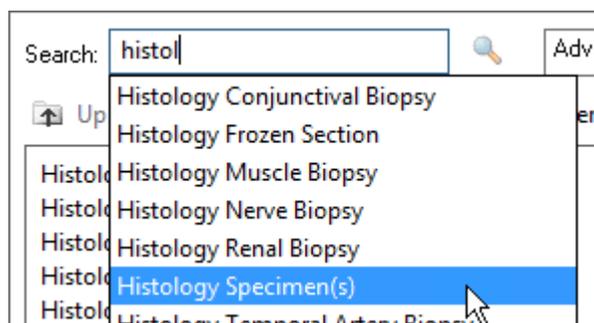

This Quick Reference Guide will explain how to:

Order Histology (Including multi-specimen orders).

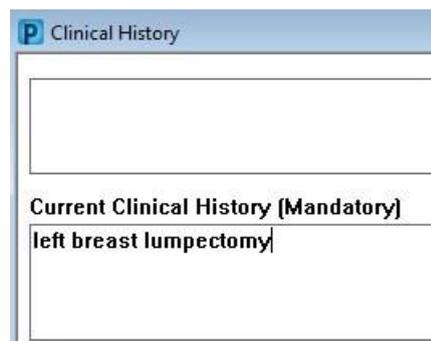

1. Click on **+Add** next to **Orders** in the **Table of Contents**.

2. Search for '**Histology Specimen(s)**'.

3. The Clinical History window displays. Type the reason for the investigation into the Current Clinical History field. Click **OK**.

4. The Detail window displays. Complete all fields (yellow boxes are mandatory)
