

# Documentation – Newborn Screen Test

## This Quick Reference Guide will explain how to:

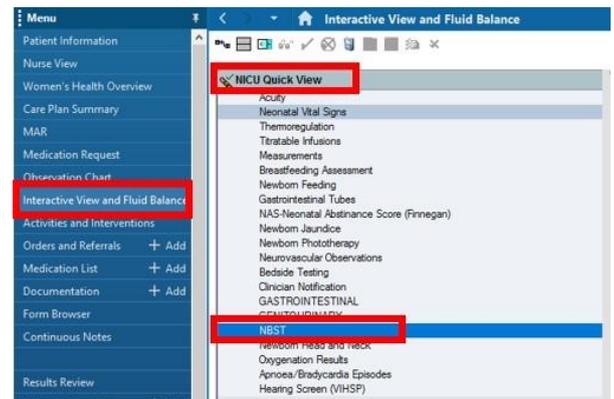

Document completion of NBST, document repeat sample collections and how to place an order for an NBST

### Definitions:

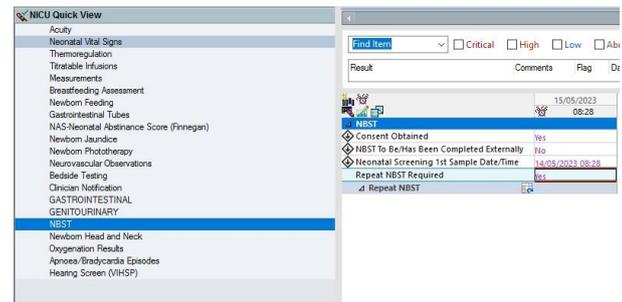

**NBST – Newborn Screen Test**

## Documenting NBST in Interactive View (iView)

1. Within the patient chart, navigate to **iView > NICU Quick View > NBST**  
\*For babies on the postnatal ward, this section is found in the **PNW Neonate Quick View** band

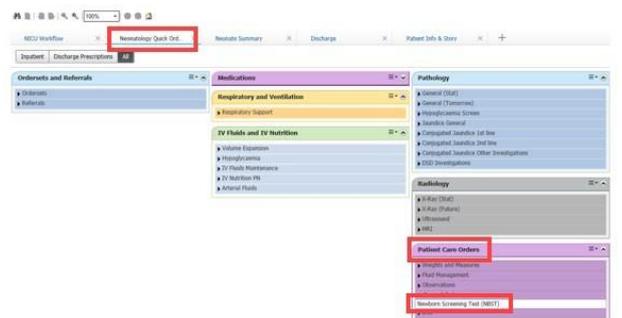

2. Complete all sections as appropriate for patient and click on **Green** tick to save.

## Placing order for repeat sample

1. Navigate to **Neonatal Quick Orders mPage > Patient Care Orders > General Orders > Newborn Screen Test (NBST)**  
Click on order.

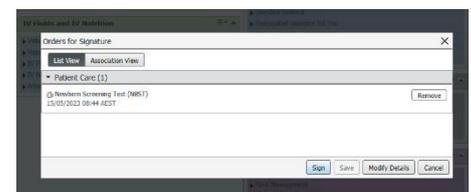

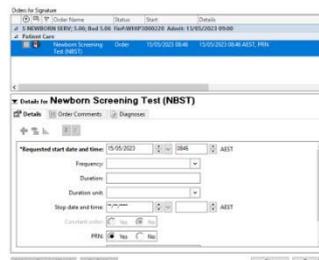

2. Select the cart icon

3. Select **Modify Details**

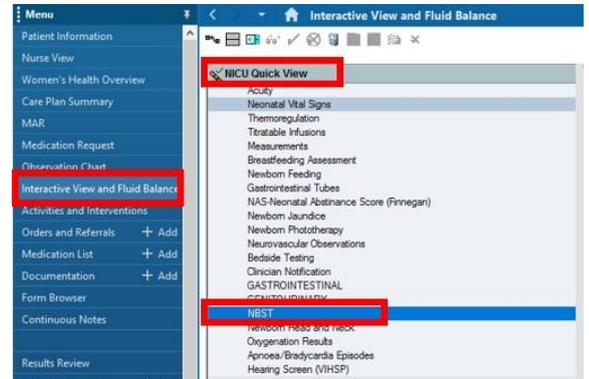

4. Complete Order as appropriate and **Sign**

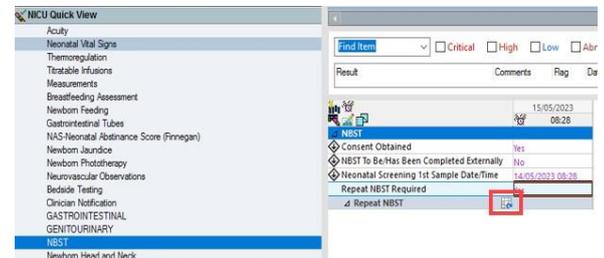

## Documenting repeat NBST Collection in iView

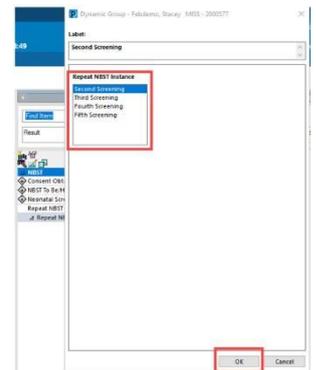

1. Within the patient chart, navigate to **iView > NICU Quick View > NBST**

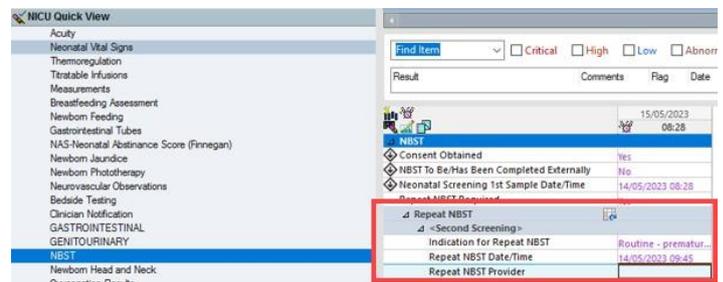

2. Select the **Dynamic Group** icon next to the repeat NBST

3. Select the appropriate sample number and click **OK**

4. Complete documentation as appropriate and click on **Green** tick to save.

### Important

- Documentation in Green Book continues
- The NBST section is available from a Maternity view in the **PNW Neonate Quick View Band**
- Information for timing of repeat samples is available from the VCGS Newborn Screening website (link within the PPG).
