FirstNet - Clerical – Ward patient going home from ED

Digital Health Quick Reference Guide

This Quick Reference Guide will explain how to:

Manage a patient in the Emergency Department that has had an inpatient ward bed request placed, was admitted on iPM to the S Emergency or F Emergency holding ward, and a decision was then made to discharge the patient home.

Important

- If a patient is admitted to: **S Emergency or F Emergency** (holding ward), then they are discharged home from ED. The patient must be...
 - 1. Discharged on FirstNet
 - 2. iPM admission deleted

Discharge the patient on FirstNet

- 1. Locate the patient on the FirstNet tracking board.
- 2. Right click on the patient's name and select Discharge Process.

Ant, Adam MR	7400007
