FirstNet - Locating a Recently Discharged Patient

Digital Health Quick Reference Guide

This Quick Reference Guide will explain how to:

Locate recently discharged patients on LaunchPoint and/or Tracking Board in FirstNet.

Discharge Patient

Locating a Discharged patient from Discharge Zone:

- 1. Navigate to Discharge Zone on LaunchPoint
- Select from 12, 24 or 72 hour filters or select Custom to search a specific Event from drop down list, Date Range (up to 7 days) and Time.
- Checked In (Arrival date) = All patients that are currently in ED and left ED.
- Discharged (Discharge date) = Patients that have been discharged.

12 hours	24 hours	48 hours	72 hours	00	ustom
----------	----------	----------	----------	----	-------

Checked Out	Date Range		Time	
Discharged	03/09/2023 - 06/09/2023	6	09:00	~
			-	

Helpful filters in the Discharge Patient Zone:

- 3. **My Patients** filter will display a list of your Discharged **ASSIGNED** patients for the selected timeframe/date.
- 4. **My Unsigned Notes** will display documentation that was not signed and submitted at discharge.
- 5. Discharge Dispositions

The Discharge Patient zone is campus specific

Locating a Discharged Patient from Tracking Board:
