

Orders – Outpatient Ambulatory Organiser Check Out Alerts

This Quick Reference Guide will explain how to: Resolve alerts that may appear when checking out of appointments using the Ambulatory Organiser or Scheduling Appointment Book. You can search this QRG using the name or code for the alert e.g F-FLX-201.

Check Out Alerts have been added to the EMR Ambulatory Organiser to help reduce the risk of patient follow-up appointments not being requested and to remind clinicians to enter the appropriate MBS clinic billing codes.
