Close Help

3. Reports Input window will open, choose the parameters you require and Click OK

4. Report will run for the selected campus, examples:

Urno	Bnum	Birth Date	Surname	Firstname	BatchID	SubmissionFile
<b>Bacchus Marsh and Melton Regional Hospital</b> Period : 1/11/2024 to 12/11/2024						

Urno	Bnum	Birth Date	Surname	Firstname	BatchID	SubmissionFile
<b>Sunshine Hospital</b> Period : 1/11/2024 to 12/11/2024						

**Important:**

- a. Bacchus reports for Dec 2024 onwards (will be run within BOS\_WHS database).
- b. Nov 2024 reports will need to be a combination of both BM BOS + JK BOS.
- c. Oct 2024 and earlier reports will need to run from BM BOS database.
